

WAYMAN D. PALMER COMMUNITY YMCA

QUICK FACTS

A History of Meeting Community Needs

The Wayman D. Palmer Community YMCA has served youth and families in the central Toledo area since 1928. Although much has changed over the past 82 years, the core of our programs and services continues to be developing youth, connecting families and building a strong sense of community.

Local Impact – Local Investment

In 2009, with money raised during the Annual Scholarship Campaign, the Wayman D. Palmer Community YMCA:

- Awarded more than 400 youth and adults with YMCA/JCC memberships.
- Allocated scholarships to more than 300 children to attend child care and day camp while their parents worked.
- Provided 713 youth with the opportunity to participate in youth sports programs and basketball clinics.
- Granted 125 children with one week of free swimming lessons through our YMCA SPLASH program.

YOU CAN MAKE A BIG, BOLD DIFFERENCE

With your help, this year the Wayman D. Palmer Community YMCA will raise \$100,000 to ensure that programs are affordable and available to all. **Every gift counts.** Whether you are able to invest a dollar or \$10,000 your gift stays in our community to support local families. Your contribution demonstrates confidence in the Y's charitable mission and the positive impact we have on youth, adults and families. Thank you for your gift.

Please give generously and make a **BIG** difference in our community.

SUPPORT THE WORK OF THE YMCA AND JCC

There are many ways your 2010 gift to the Annual Scholarship Campaign will help youth, adults and families. For example, your gift could:

- Allow a child to participate in a youth sports program and have fun while experiencing the thrill of working together as a team.
- Support YMCA SPLASH, a water safety program that helps kids overcome their fear and gives them a sense of accomplishment while helping assure their parents that their children are safer in and around water.
- Help a child attend afterschool care for a year. It gives a child a safe, supervised place to become more self-reliant, build relationships and improve academic performance while providing an affordable child care option that gives parents peace of mind.
- Allow a family the opportunity to join the YMCA/ JCC and experience programs which help develop values, build self-esteem and strengthen family life.
- Help the YMCA support its Christian Mission. Your generosity will help us continue providing Christian resources and programming for those in our community who desire our Christian mission.
- Help pay for a summer full of memories and friend making at YMCA Storer Camps.
- Allow a child to learn technology based skills to improve proficiency test scores at the computer technology center.

Gifts can be made with cash or credit, as a pledge payable monthly or added to your membership bank draft.

2010 Goal: \$100,000
